I know how hard you are working, and appreciate it, In any of my buisness i can always take the answer I dont know, let me find out. what I find difficult is to get answers with definitiveness that turn out not to be accurate. ie , the parts cant be found . howver they are avaiable overnight. , . there is fuel in the truck,? yes, but no. the pump was ordered INSTEAD of the injectors. . they both were needed. . sportis. rich is waiting to ship? . I have great respenct for the amount of work you have on your plate. we need to do better.
