Greetings Sir,

Attached for your review and feedback is a progress drawing for the temp barge landing site from Jeff Bateman. Amy Dempsey also has this drawing in review.

It is not complete, but Mr. Bateman would greatly appreciate any feedback and comments you have.

Respectfully, Daphne

hi daphne -

I got your message - i'm on a conf call and couldn't answer

please just mail the check to bsc dospiva, po box 25105, christiansted, vi 00824 - i'm heading up to our office in the states tomorrow for 2 weeks (return on the 11th)

in talking with amy this morning it looks like we will be back to gsj the week of the 11th to investigate a new site for one of the docks - we will see you then !

attached is a revised drawing for the temp barge landing site - amy also has this drawing in review

have a great day and we will see you soon !!

jeff
