Hermes NYC is emailing the designer discount application.
The representative says the discount approval once submitted takes only a day or two for consideration and decision.

Greetings Rich,

Grace of Hermes NYC was most helpful. JE missed the potential 15% designer discount mark by
\$13,050 on the chair and desk only order and \$3,100 if he had wanted the lamp.

Designer discounts of 15% are considered on orders of \$40K minimum, not including shipping, taxes, etc. They must be approved by the Hermes Corporate office, there is an application.

I still think if JE wanted a \$100K in furniture they would have given him a discount no questions or application asked.

can you please have hermes revise order for just desk and chair (no lamp)
also ask them if they can discount by 10% (i am sure they will say no but we can always ask)
thanks
