Dear Jeffrey,

What is the current idea re: my formal employer in the US? Does it make sense to frame it as a startup, put me into an existing non-profit (Ben Goertzel has "Humanity Plus", which does non profit AGI research and is a Delaware company), or did anything come out of Joi's existing MIT affiliated companies? Can I get Katherine hired as grad student/administrative support?

Thank you and bests,

Joscha
