Yes,. I totally agree,.

Jeffrey,  
Can I bring My family to your house and show them the garden Brice is building, later this morn? Or afternoon.

If you have time to speak with Taylor and Brandon and their future?

Taylor just received a job offer at Privia Health as Senior Financial Analyst.  
If you have any insight on that company, it's fairly new Company,

Thx  
Larry

Well, at first I believed he was real,. I have some doubts now, since I've been wrong most of the time with these B727 buyers.  
But I still believe in him.

In my opinion, What Frank is doing:  
He has many contacts in Europe and Middle East, He brokers engines to them for airline use, all along, Frank has the \$800K Swiss buyer in his pocket, which is \$750k net to you, and \$50k to Frank,. He realizes this isn't the best number he can offer you, since the Plane gets parted out IF you agree to sell him the -219 engines,. He is currently exploring the option of updating our current HPC discs to higher cycle limit times,. Since our core engine has only 3900 hours total time, Frank has told me, our engines are Gems,.  
Let's give him a little more time, I think,  
If you agree?

Thx,  
Larry
