This is what I received from Marc Leon when I requested an update (last night) on the status of Bin Ennakhil. See below:

Dear Mark,

Great to hear from you. Several happened with Mr. Kiss's properties but we have still no payment. The last written offer is at 72 million € for Marrakech and Sevilla (48 + 24). The vendor agreed because it saves two "problems". Sure that he is read to accept 50 or may be 48 for the Bin. But he wants a written offer to start any price negotiation.

Dear Marc,

Greetings! I have just wondered about the status of Bin Ennakhil. Has there been any further interest in the property? Do you think Mr Kiss is amenable to a more sensible offer?

Best wishes,

Mark
