You build experiences, awareness , unlike monopoly , every once and awhile you are allowed to exhibit free will and move to anywhere with some form of agreement , we can brain storm with a small group , would I'm sure stir laughter. I'm not sure how you think about laughter. It s role transmission,

O n bio field there is some new science on electric field on plants. Very good science

I'm at your service for any adventure sir

If we do do an aura app it should be backed up with the emerging theory of biofield science . I have 2 papers on it in journals

Will send to you

The monopoly game could be fun

We can make a chopra monopoly game . It would be very funny and profitable for you. Instead of Boardwalk and jail theycould land on learning street and if bad go to eternal ignorance . you get awareness points instead of money. On another note the aura app would be gigantic. Every woman needs a goodness meter .
