curating the mash up is amusing , Its possible that as chinese music is less of a brain construction as opposed to a copying of natural sounds ie . internal vs external . the combos dont work as well. same with pop. pop involves a concious process . sending a message - where great beethoven might be a translation of his innner workings :? I have no idea. but haydn , the father of beethoven and mozart also worked very well this morning.
