rupert said that 2012 bentley ghost ewb is already aggressively priced and he thought the best they could do on sale is 175k (think i can probably get to 170k) and buyback would be 130k when your new car is ready
please advise

pricing on 2017 bentley mulsanne ewb has not yet been determined however rupert believes it will be in 400k range

thank you
