Thank you and thank you for asking about the rest;

Health , good

320 , good (first price negotiations with possible buyers)

Hotel , good (model rooms almost done , about to start total renovations)

School , good, (final bids in on work to renovate)

Gracious Home , intense work in progress (bank work out , hopefully new lender by month end, trying to get my CEO to match any money I put up , reason behind bridge loan,)

Want to get headspace to go back into the asset based loan (PAWN) business , writing business plan , with help from HBS, now mainly to work through my thinking and testing some of my assumptions

How are you?
