Hi Jeffrey,

I'm reaching out to see if there's any possibility of assisting in any way on the film Woody Allen is planning on shooting this fall in New York.

As I think you know, I graduated from Cornell in May and I just returned from a month-long film project in Peru.

I'm in the process of lining up some projects for this year and nothing would be more exciting than the opportunity to work on a Woody Allen film.

I hope all is well with you and look forward to connecting soon.

Best,
David

Hi Jeffrey,

Thank you so much for your willingness to help me. I would be beyond thrilled with any possible position on a Woody Allen film set. I have been a production assistant in the past and would happily do that again; however, if there were any openings for an assistant to Woody or one of his assistant directors / cinematographers that would be the most unbelievable opportunity imaginable.

But, even to be a fly on the wall would be an honor in this situation.

Thanks again.

Best,
David

Jeffrey,

Can I raise a personal issue with you concerning my son David?

As I mentioned, he graduated Cornell last weekend and is hoping to work on interesting projects and make films this year and then, hopefully, attend the NYU Tisch Graduate School in the fall of 2017.

David is working on a project for a Peruvian company in Lima from mid-June through mid-July.

He would love to work, in any capacity, with Woody on his upcoming film project, if that's a possibility. He certainly doesn't need to be paid and he's a really good, talented kid.

Thanks so much.
