My decision on hiring and spending the money to deliver exactly what our plan was - to deliver a restaurant to support a 4* hotel - I delivered - in spades - DAVID did nothing but systematically tear this apart
First DAVID
Negligence on the DD for the hotel
Ran 9mm over on a 8 mm budget
Shut the job down for 8 weeks - could have been avoided
Incompetently handled the needed tco items for months - and was advised for months
Has done nothing but systematically shut down revenue and operation Procedures from hotel to the restaurant -
Went to the street with out any NDA - negligence to me - asking everyone to take over Henry - no one wanted to touch being in business with DAVID
Has not communicated with me in months - yet there is a 70mm operation at risk yet he's acting like e a child
I have set up the chef as a favor to me to take over operations for at least the next 4 weeks- trust me this has nothing to do with chef wanting to stay on board - it's a total favor to me
I have as the email you Re-forwarded me spoon feed how to transition- which DAVID has plenty of time - but not acted on at all
I have even offered a priority loan of 50k which is more then enough to keep the restaurant open for the next 4 weeks-
DAVID has to stop hiding behind you -
have Communciations with me on how to transition - as I have said often I would walk him through - not material we do not like each other - DAVID has a responsibility here he has to stop being a child -
My involvement in the restaurant stops on May 6 - I can not extend this date
You where to set up a meeting between us regarding the tco last week - that never happened - tco is not at all how DAVID has told you- we can have a meeting to review both tco and transition of restaurant on Monday
You can tell DAVID to hire Gary to help us with the tco - never going to get done with out GARY overseeing all trades - and telling you the truth
But I'm not doing this through you - too complicated

I can not stay after may 5 - impossible

DAVID has spoken to the chef who will stay on with DAVID

Not hard for DAVID to have the non union side of the hotel Mgmt hire the 12 people the chef wants to keep on

This is all in David's court- he has spoken to the chef - it's a easy transition

He screwed this up by going into the market and asking everyone in the industry to take over the restaurant

You have to stop blaming me for David's screw ups
