Jeffrey,

GIV update:

Gulfstream is trouble shooting L/H converter,, at this time, all points to Bad Converter again, Pete organized the Warrenty exchange converter arriving Monday in PBI.

72month GIV

You asked me to remind you about GIV 72 month start date.,

Current input to Gulfstream WestField MA start date is May 16th with completion June 8th.,

No engine change, earliest I can get loaner engines is July 1st,. Our engines are not due until Nov 2018,, my goal was to get our engines overhauled July to make the aircraft more appealing to buyers with fresh 10 year engines., in case the buyer didn't want to continue with Rolls Royce Corporate Care.,

Let me know if I should lock in May 16th input? Or delay?

72 month due date is no later than July 1st.,

Thx,
Larry
