question , who is in charge. who is going to take responsibility who is going to be held accountable, who takes these things seriously, I would like you to get some rest. I also would like that you, and the bank not get in trouble. A great deal of this is PERCEPTION, vs substance . the rich are already half guilty to start.. these doj people are on a rampage. . we can talk about it. having emanuelle and cynthia being the face of a bank where hundreds of millions of dollars were illegally washed, (in their opinion) is dangerous.
