Brad, Phil and Wendy,

We very much enjoyed today's discussion and we appreciate the time you spent with us and your open and direct communication.

Thanks for promptly forwarding the RFIs. We'll begin working on our responses. We've also begun the process of identifying the additional "doers", and I'll circle back with some potential dates for our next meeting so we can keep things moving forward in light of the targeted timeframe.

We are very excited by the opportunity to team with Elysium and we are confident we can provide significant value. We realize the significance of this decision and hope to demonstrate that we are best equipped to provide the desired services.

Best regards, Jeff
