Yes, it was better than good :) Apartment is amazing: very spacious, clean and with a great view. It felt nice being in New York: reminded time when I was excited about everything. I have been stressing out a lot because of a job search and preparation for technical interviews. It was good to forget about it.

I will have to come back to NYC sometime in July to pick up my passport from Russian consulate. For now, I will resume my job search.

I would like to visit my parents this summer but right now I don't have enough money to do so. I'm worried about my mom, she sounds very depressed and asks me every time I call when I'm going to visit them. Otherwise, I don't have any big plans. I decided that all my startups ideas will have to wait: I need steady income, so I can support myself and my parents for sometime.

Thank you for all the help and support that you have given me!

Hi Jeffery, would it be possible to stay at your guest apartment in New York from 04.26 til 04.29? I have an appointment at Russian Consulate in NY.

I will be traveling with my boyfriend. We would usually split the cost but I want to save some money. I'm still looking for a job. Hopefully, I will find something in a few months.

Thank you,
