Tell Jeffery thanks. And thank you also. Let me know if you get a hot stock tip. I might have some cash on hand after offsetting my loss. (just kidding ☺)

Rich, First I want to apologize for yesterday. You have been nothing but kind and patient with me throughout this transaction and it was inappropriate for me to talk about my situation with you. I know you are working for JE and had nothing to do with this venture beyond trying to wrap it up. Thank you for your gracious understanding.

Second, there is still \$4,288.33 in the Flagler checking account. Please let me know if there is a need to keep this account open and if not, what to do with the funds.

Steve
