I just a changes from the attorneys.

They are super minor – are relates 1) 5MM goes against your 50% - this was written initially – not sure why was taken out. The attorney pointed out.

Some misspellings (residences vs resident) and some half sentences that were left over from her previous letter.

It is included that you agree to destroy emails after we sign all end execute.

In the case of each dead it is the same for each of us– I think this is fair. We can amended that for your cousins etc at later time.

You can just forward her this document. She can track it.

In the case she has some questions, I think it is the best they talk directly.

Boris, further to our call this morning, attached are two versions of the revised document. The first (labeled REDLINE) shows all changes to the most recent version from Sam's attorney; the second (labeled CLEAN) is the same agreement with changes accepted.

Hi Boris, can we get a Word version of this document so we can make edits? Would you prefer we reach out to Sam's attorney to obtain it or do you want to go through Sam?
