I'll be in NY on Thursday (April 26), one day only, in the oft chance you are in the city. (Peter could come up from DC if you'd want to go through Big Breakthrough Book.)

I'm coming in for my mother's funeral on Wednesday; more reflective than grieve-stricken as not unexpected, peaceful and no pain, one month shy of her 102nd birthday; though advanced dementia, the "slow goodbye" as they say, she still recognized family. About a year ago, when she could still speak some, she said to me, while annoyed that I was focused on my computer, not on her, said out loud, for all in the assisted living cafeteria to hear - "With all the junk you are doing on that machine, at least are you making any money?"

Hi: Checking in. I'll Skype at 3:00 pm East Coast (few minutes); if better time today, please advise. Then I can add Peter.

Looking forward,
Robert

Skype - Saturday, mid-afternoon East Coast, say 3:00 pm? We'll have Peter Getzels (Closer To Truth producer/director) on to go through book, etc. (I'll check his schedule.)

We can do private Skype, before or after. Love to catch up on world stuff. our kind of 'gossip'.

Great; when's good?

To go through book/prospective participants, we'll have Closer To Truth producer/director (Peter Getzels) join. You and I can speak privately, before or after, or at another time.

Hi: Checking in. I'm in LA (Santa Monica), not back in NY until early June. Skype/FaceTime to go through book?

Also, how about a private, pick-me-up Skype/FaceTime on geopolitics - I had quite a fill with Xi's elimination of term limits - eat your heart out, Donald!

Take care, Robert

Jeffrey:

Attached is the much-revised, pre-production book for Radical Breakthroughs - featuring, as you requested, five and one-half totally new episodes (out of 13) and with video links for almost all potential participants.

I am copying Peter Getzels, Closer To Truth co-creator and producer/director. When you have reviewed, I suggest the three of us meet in NY to go through participants, themes, ideas, etc. (Peter is in DC and would come up.). Or, if your and my windows in NY do not soon overlap, then let's do on Skype.

We are very excited about the Radical Breakthroughs series - a "breakthrough" in itself. Our Closer To Truth team is looking forward to the production.

Please confirm receipt.

Robert
