Hi Russ,

Attached please find draft federal return for TCC International for 2015. CohnReznick has not included the NYS or NYC return as they need to update them for the NOL carryforwards from prior years.

Please note that on this return we recognized CODI related to the Founders notes (totaling \$13.1M).

This wraps up the draft return preparation for the prior years.

Please let us know if you have any questions in the interim.

Kind Regards,

Daniel
