As I have been the only thing standing between you and the Greatest of shit Shows. or in the words of my friend "the end of his life as he once knew it . I think you will discover it was a serious error to growl at the group that you " strongly RESENT! my outrageous, self- serving, and Ridiculous Claims.!! " then-- Continue by calling into question both my professional competence and my financial honesty . This defensive nonsense supported solely by the preposterous pronouncements of Tom and Joslin accompanied by Alans fairy- tale survival story of his very first( and last ) Epiphany. I have, it appears foolishly put at risk my position of decades building trust in Wash to stave off a disaster for you -solely out of friendship . I have little alternative but to fully explain the 30m transaction ( he knows I have never borrowed a dime ) return the note minus taxes paid etc. and leave the rest to you and your more trusted advisors.
