As I have been the only thing standing between you and the Greatest of Shit Shows. or in the words of my friend "the end of his life as he once knew it . I think you will discover it was a serious error to growl at me and the group that you " strongly RESENT! my outrageous, self- serving, and Ridiculous Claims.!! " Then-- Continue ,by calling into question both my professional competence and my financial honesty . This defensive nonsense was merely designed to support your preference not to pay money while ignoring the benefits that have accrued to you and your family. The fictional diatribe founded on the preposterous pronouncements of Tom and Joslin accompanied by Alan Halperins self -survival fairy- tale of his very first( and last ) Epiphany. It unfortunately appears that i have foolishly put at risk my position of trust in Wash , decades in the making to stave off a disaster for YOU -solely out of friendship . I see little alternative but to fully explain to my friend the 30m transaction ( he knows I have never borrowed a dime ) return the note minus taxes paid etc. and leave the rest to you and your more trusted advisors.
