Inline-Images: image001.gif

As yet Enhanced Nav/CPDLC/FANS 1A/ADS-C/ADS-B not embodied and Due in 2019/2020. (I have requested cost for completing this)

No damage history.

TCAS 7.1 has been Accomplished, Cert fox at the latest rev, ASC 083A & ASC 908A

This G 550 is in the top 2 Quietest G 550's in the entire G550 fleet.

The Aircraft is available for viewing in [Teterboro](#)

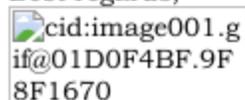

Delivered with a Fresh 12, 24, 36, 48, 96 month Inspection and it is Clear of any Major Inspection for till the 72 month inspection.

The 96 month was just completed at Gulfstream SAV, the work-package performed, including all discrepancies noted attached.

We have added ASC 113A and ASC 911A Plane View MOS Upgrade to s/n 5176 free of charge until June 30, 2016, after July 1, it will be a billable item estimated at \$1,100,000.00

Asking \$ 22,490,000

Best regards,
