since brad has yet to call me back . I suggest you pick up the phone and ask joe the following questions 1. why is the plane value on the gaming commission report 14 million 228 dollars. where does the 228 dollars come from. ? ? 2. why is the value last year on the plane 12.4 million, he will say it is 80 percent of the 14, however 80 percent of 14 is 11.2 . ? 3. he will talk about the balance sheet . ask to see it 4. the boat is valued AFTER commission , , it says market value, not how much cash , other assets are pre -commission , why is the boat different. THESE are all baby questions. . try yourself. the answers will speak for themselves sorry,
