Hi Rich, It seemed to go very well on her end, and she would look forward to the next steps if considered. She enjoyed the conversation with Mr Epstein, and she was very appreciative that he took the time to accommodate the time change. Thank You for making the arrangements and mentioning to Mr. Epstein that I presented a candidate that felt good about. I know you were very instrumental for helping facilitate it. So from my end, it is very appreciated. Lets hope he liked her for consideration. I can see her in some form of a top role ,as you know there are always many dynamics that go into it (chemistry is very important as well as trust). I hope she was able to demonstrate her value ,discretion, and capabilities.

Thanks ,
Rich

Hi Rich, She is confirmed and will be sending me her Skype name, which I will forward upon receipt. She is confirmed on this. If at all possible , if it can be moved up a bit it would give her more time., Her flight plans got move up over night and will be leaving for the airport right after. If it cannot ,we can leave it in place, she just wanted to give herself more time in case the conversation gets extended, If not no biggie, we will leave it in place, Thanks for your efforts on this Rich , everything is highly appreciated.The ideal time if you can would be 10-1030 range, If not just leave it in place.

Best,
Russell
