Thx jeffrey-since we haven't talked abt the 8865's in over a week I just wanted to confirm you're still taking a leadership role here as previously agreed. Since we filed the 8865's in previous years we will want to confirm for consistency between our previous filings and what comes from apollo/deloitte. That notwithstanding, I'll make certain rich and tom don't get too ahead of themselves. I'll call you shortly. B

See below with respect to 2015 data.

Yes, we had already provided the 2015 footnotes for the 8865 back at the end of July. However, with that said, since it is the first year these forms are filed for the founders and there are attachments that need to be included with the

forms that illustrate Apollo's structure, I thought it would be best practices if we can provide a bit more guidance. Therefore, I was able to convince Deloitte to provide pro-forma 8865 with the relevant attachments for 2015 only. They started working on this last week and will have it ready at the end of this week (Sept 23rd). They will also make themselves available to walk the home offices and their accountants through the forms and attachments the following week. They will be able to leverage these proforma forms for all the other years.

From speaking to LB's office, they have already started completing their 2015 Form 8865 based on the footnote we provided, but will wait for our proforma forms to compare/check with theirs. I informed all the home offices/their accountants on 9/9 that they can be expecting this.

Let me know if you would like to discuss.

Hi Suzanne. Hope things are a bit more quiet now that 9/15 has passed. Just checking in to see if the 2015 data relating the 8865 filings has been made available to the individuals. Thanks and best regards
