Subject: RE: Fw:

RESENDING I fixed a typo.

Apollo will be sending their 2016 YTD estimates by EOM –per Suzanne Wong

Federal/ NYS 2016 income tax– we are paying based on 110% of prior year tax, ie “protect” with the understanding that 2016 actual will be higher

As is stands now, the June 15 payments are:

Federal – owe zero

NYS ~ \$2.3mm

If Apollo numbers come in lower, we will adjust.

Note that in April we built in large cushion and Apollo came in with a late revision downward of LTCG (\$6MM) so we may fine tune NYS as there likely is a larger overpayment.

We can look at California and Iowa income from Apollo to determine what if any might be payable in estimated tax in June. Amounts would be small.
