Yes, we close from the outside, but I thought it would be a nice "look" from the inside to have curtains on the non-operable windows we left.

I have attached a sketch floor plan to explain better the concept.

Please let me know if you agree with this concept.

Good afternoon,

We added the curtains.

Please see attached file with list of furniture for current spaces.

I have a doubt on 2 areas that you mention you wanted a list of furniture:

-Master terrace: Are you referring to the former (damaged floor) Master Room? That I assume will be fixed and re-furnished?

-Library: Is this your current existing office space? Where there is a terrace seating with an "aquarium art on wall"?

Please let me know if this correct and I will send you a list of furniture for both these areas.,

Thank you,
