Thank you Jeffrey

For NY

I had one today but will need a lot of your imagination, see the photo attached, an old canvas which is a part of a famous décor disappeared, from an eighteen century painter.

I have found on the net the engravings of the others panels, so we could reproduce without being too meticulous a few of them

The canvas is in bad condition but can be restored that is not a problem, to light the room we would need to have white wood lacquered paneling around these decors, the woodwork would need to be strong

I will have another one tomorrow

The perfect light idea didn't come yet

Dear Jeffrey

We will do the installation this Monday and Tuesday, but because there is a big BUT, the armoire needs another month to be finished and installed, same delivery time for 2 embroidered chairs (1 should be finished next week) on the side of the fire place in the Main Living and the coffee table from Ado Chale the bronze is not perfect... Except that I wanted to kill 10 people this week and present my apologies today I will not be able to do better Your bedroom carpet will be finished of installation at the end of next week

The chauffeur of your neighbor will bring us the key of the apartment for the storage on Monday

Sorry, I will send you photos of what will be in late Tuesday

With my regards
