Hey jeff. Hope all is well. My wife janet is having spinal surgery at columbia hospital in NY may 23. I'm looking for a 2 or 3 bdrm upscale, comfy manhattan rental from may 21 - may 30 for recovery. We found a terrific spinal surgeon at columbia so NYC is where it will happen. Its expected to go well with a full recovery. Jeff, this is not a favor, its a business arrangement if you can think of an acquaintance who might have an avail place. LMK and pls give this some thought. Appreciate it. In negotiations now, will update you in the coming days. TK
