Johann says we don't have to hurry to do it. He said that apparently something happened in 2005 that they need to straighten out, he wants to talk on Monday. It's not something that should hurt us but it sounds like our old owner may have done something wrong he never settled. I'll let everyone know as soon as I find out. Erika are you available Monday if I need to get you on the call, it will be in the morning, I just don't know what time he will be getting out of his staff meeting.

Johann found our original COE permit. We should probably request that the permit be transferred into Great St. Jim, LLC.
