im aware. do you have the right to get updates? written? I would like them to give you details in writing of allegations. I fear that if you say anything other than . let me think on that and i will respond within 10 days. you will allow them to tailor the allegations for the next round. if you say i dont recall . thats not helpful. . if you say it didnt happen. better. but if they find that there are witnesses. = bad. . not sure at what stage do you propose a williness to go to sensitivity training. . the allegatson of not inviting women should be easy to counter first interivew .if you have proof of invites. ? not sure justin s view if there are multiple universty women that make allegations. are they all lying ? is going to be their mantra
