I am there for you , . this will be a difficult time. call me whenever you like as much as you like. kathy and kathys firm should advise on each step. cynthia is loyal and smart . but dealing with this crisis and regulators , prosecutors and press is like having surgery . you need experienced surgeons. that we have full faith in , ( not my skill set ). crisis PR. many decision will require patience and balance. though you'd like to go after MA , probably not advisable in a rush. external internal legal. public relations HR , the cousins , nadine and a number of disgruntled ex employees. are all considerations. my advice in situations like this turns an old cliché on its head. initially , DONT just -do something . STAND THERE.
