I texted you I don't know if you got it. We have an issue going on with a project I am monitoring. Can we do the call around 530 your time today. I am just not going to get this straightened out before I need to head out and I am not going to miss my last ski day for the year.

Richard,

I forgot I have a dinner tonight with some people and will be heading out early. Can we talk in the morning at 9am your time?
