he prepared schedule C with 165k of income and 12k of expenses which was obviously incorrect and will need to file 1040x amended return

also sold his bitcoin and had a 70k gain

all this income and no estimates paid throughout 2017...

Dear Richard,

see the list below and as PDF. Second PDF is the tax return.

Can I send you my TurboTax login?

Tax 2017

Income from capital gains:

- Sold 2,420 shares of MicroPsi GmbH (Berlin) for Euro 2,420 total on 05/09 2017 (part of a deal with investors for a small startup I co-founded in September 2014) = USD 2706.53 (exchange rate as of May 2017)
- Bitcoin: (USD amount is currently held on Bitcoin exchange "Bitstamp" in Luxembourg, and transferring it out requires me to open up a new bank account): sold on 12/07/2017 for net USD 71,224.02, bought on 02/27/2014 for USD 2,730.02
