They always put straw men arguments in to show they are fair and can acknowledge that some cost ms proved false BUT... it's a trap

had a good meeting with Justin and his assistant this morning. He has had good conversations with General Counsel, Cynthia Jewett, who I also worked well with.. .. We have tons of proof against the allegations re not inviting women etc.. and Jewett agrees that a number of the claims are bogus.. Re other claims I will be asking who, what, when, where, why ..and will not make any guesses or offers..

Incidentally.. recalled two things.. amusing. The strip club thing was when Stephen Hawking let me know he wanted me to take him to a strip club in NYC.. :).. and the nude photo thing is when on my birthday in 2013 a bunch of random people (of both sexes) sent me nude photos and happy birthday wishes.. :)

im aware. do you have the right to get updates? written? I would like them to give you details in writing of allegations. I fear that if you say anything other than . let me think on that and i will respond within 10 days. you will allow them to tailor the allegations for the next round. if you say i dont recall . thats not helpful. . if you say it didnt happen. better. but if they find that there are witnesses. = bad. . not sure at what stage do you propose a williness to go to sensitivity training. . the allegatson of not inviting women

should be easy to counter first interview .if you have proof of invites. ? not sure justin s view if there are multiple universty women that make allegations. are they all lying ? is going to be their mantra
