*Good Afternoon,*

*I have attached some possible ideas for replacement of the x 4 Leather Sofas (96" L x 32" D x 38" H) in the Estancia. You had expressed interest in Fabric Covered, I have selected Slipcovered Sofas so would have the flexibility to be able to clean & make other covers.*

*I have also attached some photos of the new rug as reference.*

*If you could please review & let me know if there is anything you like or perhaps you have a suggestion*

*Warmest regards*

*Karen*
