Continue applying for work in the US while I am with Liaigre.

Often the same - don't want to sponsor internationals and don't want to lose someone after training them.

Come fall, it is either O-1, E-2 treaty, or gain experience elsewhere in an American business and then be eligible for L visa, provided they would be willing to relocate you.

For this reason, and because I fall short financially for E2, and professionally at this moment for O1, I need to connect with American businesses and designers looking to expand into and / or with offices in London. I don't like the idea, but with the E2 and O1 options and everyone seeming reluctant with the H, I think it is one I need to keep in mind.

Please please let me know if I can be of help to you!!! And please can I see you soon ❤️
