as expected, Radcliffe turned me down for a Fellowship

many thanks for writing on my behalf

any number of reasons why they might have turned me down, most prominent being that chances going in were only 1/20—1000 applicants for 50 Fellowships

i still plan to spend most of the year in Cambridge, to be near David Haig and numerous friends in the area. including Steve—i have more friends associated with Harvard alone than in all of New Jersey, NYC thrown in to the bargain !

thanks again for your help
