karyna JSC 2017 W-2 income was 70,000

form 8898 is not required as there is a 75,000 gross worldwide income requirement however not sure if you still want to file
if so what date should we make move effective as of..

also may want to begin 2018 payroll on one of USVI entities - STC / LSJE / Karyna Dental entity?

karyna will not be required to file US tax return for 2018 even though she has been on JSC payroll for first 4 months of this year by choosing
option to use Form 1040 Info and file form 8898 if over 75k worldwide income
