Dear Jeffrey

Would you please find herewith an estimation for the work and the new furniture

In fact the total is higher than what I thought,when it's written "estimation" it really means it needs to be designed first of course.

As we will change the fabric for the 2 sofas in the main living room,we could choose a yellow one and keep the existing rug.

Call me if you need information,we have to show you a sample of carpet for your bedroom ,and the sample of "chenille" for the 2 sofas

Our conversation was a pleasure the other day.

With my best regards

jean
