Landscape, the contracts were signed, deposits paid and we have a kick-off conference call scheduled for this Friday to discuss scope and schedule. It was the soonest available date for WATG. We have been insisting daily.

lets talk today. . landscape schedule? I would like to see current draft TODAY , as much time with out questions is not productive. . this is a process. that in my experience requires great input to get right and it concerns me that there are so few. . the presentation is not important , the product is.

Dear Jefferey, most of the furniture pieces in the original presentation are the same that we used for the proposal sent yesterday.

Perhaps it is more convenient that we meet and go over the presentation and images in person so we can filter the options and finalize the selections.

I'm available any day, any time.
