Thanks Brad.

I touched base with Alan this morning to ask for an AGM Deskset for Jeffrey. I will also ask him to have Zoey put together the updated estate documents binders. Joe will need to provide the balance sheets.

Enjoy the rest of the weekend!

Short answer, yes. PW just did the same thing (on agreements) for [REDACTED] recently. Also, this type of organization makes sense. If you go thru alan, note that brad okun recently did this for us. I will sit down with you and joe tomorrow am, but this is not complicated and makes sense. Joe and I have already discussed the "consistency" edits" to which Jeffrey refers.

When I was at US Trust (June 2012), at Eileen's request, I prepared 2 large binders for Jeffrey that included all of the family's estate planning documents, together with summaries. Eileen added a balance sheet for each trust and forwarded it to JEE. I think he is asking for an updated version of that. Shall we have Paul Weiss pull it together for him (lots of changes since 2012)?

with the fire drill, I will need to have ALL referenced documents. . ie TRA agreement BRH , agreement amongst principals. . shareholder agreements. most importantly t ALL amendments, does not make any sense to have footnotes ,, "amendment not read. !!!." . also please put in one place a full estate file, wills for leon and [REDACTED] all trust agreements, . these should be followed by balance sheets for each entity, .

cash flow , balance sheet, financial statement , gaming disclosure MUST at a minimum be consistant. valuations, categorizations, numbers. . ie cash 12 /31 ,and jan 1 should be equal, or explained if not.
