Noam and I would like to work with another accounting company. I am looking in some companies here in Tucson that were recommended to us.

What should we write to Nick?

Dear Noam and Valeria,

We are really down to the wire for filing extension requests for your 2017 tax returns. We still haven't received any information that we need to at least estimate your taxes and potentially the need to make a payment in order to have a valid extension. Please send us as much as you have via PDF so that we can try to help you with these filings.

Thanks,

Nick
