From Kevin White:

Larry,

If you want to do the 144 month inspection as part of your prebuy and have the Seller correct the discrepancies than the lowest that we can accept is \$19.0m. However, if you are willing to simply review the recent prebuy inspection, do a short test flight and close, than we can accept the \$18.75m price that you have offered.

Let me know which you would prefer.

Thank you,
