Jeffrey

Attached sketch of proposed layout for the EGP from your last visit
I have also attached a alternative design for your consideration.

Proposed Alternative Design

Make the outer circle one big bed of Stipa grass with Austrian Pines

This would cut out 2 stone walls and maintenance

Also the Stipa grass will over shadow the proposed mowed grass,

Which design do you prefer, Rev3 or alternative with trees

Will not be painting until Wednesday/Thursday, due to weather and MainHouse Water line leak
