**Subject:** ask alan why he hasnt explained this to you since novmebr

**Date:** Thu, 03 Mar 2016 02:31:43 +0000

---

Tenancy in common is a type of shared ownership of property, where each owner owns a share of the property. Unlike in a [joint tenancy](#), these shares can be of unequal size, and can be freely transferred to other owners both during life and via a will. Even if owners own unequal shares, however, all owners have the right to **occupy and use all of the property**.
