Ive given it a lot a thought. facts on the ground have changed. as you know my constant refrain is protection! protection ! and then flexibility, I believe you ,and if you like, i, should do a rethink of your plan as currently structured , I feel strongly that it involves high risk taking ,and is potentially dangerous . in addition to its being at its core maybe unhealthy for you. I would ask that you consider some alternatives. . Her option 1 and option 2 , are rational. 1 consider telling the whole truth, or at least 97 percent. maybe beginning a real true new chapter of life. ask your shrink what he thinks. 2) re meeting . If she asks joslin , brad , ada, or I , did you know that leon had girlfriends. ? we have no planned response. - . It is 4 am and I am reviewing in detail the new art part docs. . these were done before the phaidon transaction. . I propose you tell debra that you are going to re do the office, fire everyone except heather and joe. have toms or another firm come in to review procedures. there is no one there with both skills and common sense. you should read the docs yourself . to have your personal financail life involved with misfits and incompetents is nuts (brad said castrucci still there.). we can talk on the phone if you like I will land around 4 eastern, I can set some time to talk tonight or early tomorrow your time.
