I hope all on the upswing for you. . 1. Friends sometimes disagree I lets try to find a mutually non acceptable outcome. :) I would like your input into crafting a procedure for enabling a final resolution. , one alternative but certainly not the only is to - I have alan halperin write to you his version of events. this would be a great help. 2. if you like we could each present our side to brad or a disinterested third party if you prefer. and let him make a binding determination. so as to take the emotion out of it. 3. you wrote three categories. - deductibility . phaidon . and my verbal commitments. - anything else.? I can do 23-25 april , anytime . if you prefer one on one ok with me. i can do sat the 21 if you can set aside time when you are not pressed. . re the note. after we meet and you hear my concern you can decide what you prefer. I will be in wash this week.
