Leighton called me today and mentioned a recruiter may be calling him for a job interview he was pursuing. He tells me that they have Southampton, NYC and Bedford properties. I said I believe that I know who you will be meeting with. Turns out my guess of Leon was correct. See below....

You and Leon seem to be swapping staff between Renato and Leighton.
Left message for Renato today. Will call him again tomorrow.

Your guessed correctly. I am meeting with Mrs and Mr. Black this weekend eat there Westchester property.

Best,
Leighton
